On behalf of the CNY Chapter 490 Military Order of the Purple Heart of the USA, I thank Mark Williamson for the use of his “TAPS Our Duty” Military Tribute Service and for providing his services at the wake and funeral of a loyal member of our military veterans’ organization.

The “TAPS Our Duty” Service provided the presentation of Military Honors and provided the proper Tribute to our member, a proud U.S. Marine Corps Veteran and a Purple Heart Recipient of the Vietnam War.

The use of the “TAPS Our Duty” Service certainly enhanced the local Burial Service that our Military Organization performed for the passing of one of our Patriot members. I highly recommend the new service and I passed the information up my chain of command. This new Service helps to pay the ultimate tribute and the respectful honor to our deceased veterans.

Yours in Patriotism,

Joseph T. Fraccola
